

lbann::model::do_batch
_begin_cbs

```
graph LR; A["lbann::model::do_batch  
_begin_cbs"] --> B["lbann::model::get_cur_step"]
```

A diagram showing a call from the function `lbann::model::do_batch_begin_cbs` to the function `lbann::model::get_cur_step`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

lbann::model::get_cur_step
