

lbann::top_k_categorical
_accuracy_metric::copy

```
graph LR; A["lbann::top_k_categorical_accuracy_metric::copy"] --> B["lbann::top_k_categorical_accuracy_metric::top_k_categorical_accuracy_metric"]
```

The diagram illustrates a memory copy operation. A source box on the left, with a light gray background, contains the text 'lbann::top_k_categorical_accuracy_metric::copy'. A dark blue arrow points from this box to a target box on the right, which has a white background. The target box contains the text 'lbann::top_k_categorical_accuracy_metric::top_k_categorical_accuracy_metric'.
