

lbann::generic\_input  
\_layer::get\_linearized  
\_response\_size

```
graph LR; A["lbann::generic_input_layer::get_linearized_response_size"] --> B["lbann::io_layer::is_for_regression"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'lbann::generic\_input\_layer::get\_linearized\_response\_size' in black font. The right box has a white background and a black border, containing the text 'lbann::io\_layer::is\_for\_regression' in black font.
