

lbann::r2_metric::evaluate
_compute

lbann::r2_metric::name

```
graph LR; A[lbann::r2_metric::name] --> B[lbann::r2_metric::evaluate_compute]
```

A diagram showing a call from the function `lbann::r2_metric::name` to the function `lbann::r2_metric::evaluate_compute`. The call is represented by a blue arrow pointing from the right box to the left box.
