

lbann::generic_input
_layer::get_data_reader

```
graph LR; A["lbann::generic_input_layer::get_data_reader"] --> B["lbann::model::get_execution_mode"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'lbann::generic_input_layer::get_data_reader' in two lines. The right box has a white background and a black border, containing the text 'lbann::model::get_execution_mode' in a single line. A dark blue arrow points from the right side of the left box to the left side of the right box.
