

lbann::generic_target
_layer::select_first
_valid_dataset

```
graph LR; A["lbann::generic_target_layer::select_first_valid_dataset"] --> B["lbann::generic_input_layer::select_first_valid_dataset"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'lbann::generic_target_layer::select_first_valid_dataset' in three lines. The right box has a white background and a black border, containing the text 'lbann::generic_input_layer::select_first_valid_dataset' in three lines. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
