

lbann::pilot2\_molecular  
\_reader::copy

```
graph LR; A[lbann::pilot2_molecular_reader::copy] --> B[lbann::pilot2_molecular_reader::pilot2_molecular_reader]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'lbann::pilot2\_molecular\_reader::copy'. The right box has a white fill and a black border, containing the text 'lbann::pilot2\_molecular\_reader::pilot2\_molecular\_reader'.
