

lbann::gaussian_fill
_procdet

```
graph LR; A[lbann::gaussian_fill_procdet] --> B[lbann::get_generator]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'lbann::gaussian_fill' on the top line and '_procdet' on the bottom line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'lbann::get_generator'.

lbann::get_generator
