The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'lbann::greedy_layerwise' followed by '_autoencoder::copy' on the next line. The right box is white with a black border and contains the text 'lbann::greedy_layerwise' followed by '_autoencoder::greedy_layerwise' on the next line, and '_autoencoder' on the third line. A blue arrow points from the right side of the left box to the left side of the right box.
