

lbann::data\_reader  
\_jag::get\_linearized  
\_scalar\_size

```
graph LR; A["lbann::data_reader_jag::get_type"] --> B["lbann::data_reader_jag::get_linearized_scalar_size"]
```

A diagram showing a call from a function in a white box to a function in a gray box. The white box on the right contains the text "lbann::data\_reader\_jag::get\_type". A blue arrow points from this box to the left, where a gray box contains the text "lbann::data\_reader\_jag::get\_linearized\_scalar\_size".
